Career Title: Road Service Technician	Status: Full Time
Company: NESCO Sales and Rentals	Job Category: Service - Auto
Location: Oklahoma or North Texas	Career Level: Experienced
Opening Date: Immediate	

About the Company

NESCO Sales and Rentals is one the country's fastest growing providers of specialized fleet equipment sales, rental and services for the electric and telecom utility industries. The company specializes in the following types of utility equipment:

- Bucket trucks/aerial lift platforms
- Trailers, pullers and cable blowers
- Digger derricks
- Truck and crawler cranes
- Pressure Diggers
- Underground equipment

NESCO Sales and Rentals carries a broad selection of equipment from leading manufacturers including: Terex, Elliott, Mantis Cranes, National Crane, Hogg & Davis, OK Champion, TSE International, SDP, Prinoth, Bayshore Systems, VersaLift, Mud Dog, IHI and many others. For more information about the products and services NESCO Sales and Rentals offers, please visit our website at www.nescosales.com.

Career Description:

- Perform preventative maintenance on sales and rental fleet
- Troubleshoot and repair rental equipment
- Service Territory – Oklahoma, Texas, Arkansas, Louisiana

A successful candidate will have 5 years of hydraulic and aerial device experience. Dielectric testing experience a plus. The self-motivated, dependable candidate will be able to repair aerial lifts, cranes, digger derricks and miscellaneous utility equipment and must have their CDL license. Flexible schedule a must as service assignments may require 2 weeks on the road at a time.

For more information and consideration, please mail, email or fax resume as well as salary history to Service Director, 3112 East State Road 124, Bluffton, IN 46714, Fax (260) 824-7091, josh.cotton@nescosales.com
